East Lake View Neighbors' Mission

East Lake View Neighbors is a non-profit group established to provide an opportunity for those who live, work or are interested in our community to work together to improve the quality of living in our neighborhood. We work with governmental, police, charitable, and educational organizations to make a difference. Everyone is welcome to participate and join. Our boundaries are Irving Park Rd. to Addison St. and Clark St. to the Lakefront and we are an affiliate of the Lake View Citizens Council. For more information about our organization you can find us online at www.eastlakeviewneighbors.org

Our annual Oktoberfest fundraiser is September 30, 2007 at Murphy's Bleachers, 3655 N. Sheffield. In past years we've had a lot of fun, met a lot of neighbors and made much needed money to distribute amongst our local non-profit and charity organizations. Last year we were able to raise more than \$15,000 to benefit the House of Good Shepherd, Lake View Pantry, Gill Park, Greeley and Inter-American Schools. So, even if you choose not to bid in our silent auction or join our organization, we urge you to come and have some fun while meeting your neighbors.
